

OPEN WATER DIVER COURSE

Conducted at the Butler YMCA

It is time to take the plunge into the fascinating underwater world of scuba diving. Anyone who enjoys water activities has possibly developed an interest in what lies beneath the surface. Whether it is aquatic life, shipwrecks or a simple dive in a Pennsylvania lake, it can all be very rewarding. Registration in this program is the first step into discovering what will fill your leisure time with excitement, adventure, and most of all, **FUN**.

To make your adaptation to the underwater world safe and comfortable our course is divided into three segments:

- **CLASSROOM – Knowledge development on diving theory**
 - Students will be responsible for studying information prior to each class session
 - Class sessions will be held prior to each confined water dive to review information
- **CONFINED WATER – Diving skills will be introduced that will stress safety and fun**
 - Pool skills are performance based
- **OPEN WATER – Four training dives conducted over two days**
 - Scheduling for training dives will be discussed prior to the completion of the class
 - Local Options available from April until November
 - Referrals for winter completion are available

Class begins at 6:00 pm on Saturday, January 13, 2018

Pre-registration is necessary with a \$50.00 deposit to reserve your spot.

The cost of the course and certification is \$395.00 per person and includes everything. This fee includes: text book, log book, student folder, dive table, rental equipment for both pool and open water training dives, miscellaneous handouts, certification card, instructor fees, use of mask, fins, snorkel and boots, and a customer discount on all purchases at Scott's Scuba Service.

Although it is included, students are recommended to purchase at least their own mask, fins, snorkel, and boots. This is personal equipment that is beneficial to have and can be used outside of diving. Class refunds in addition to your customer discount will be issued on equipment purchases that are made prior to the first night of class at Scott's Scuba Service. Contact Scott's Scuba for details.

Your certification is will last a lifetime. The certification is internationally recognized so no matter when or where you might travel, you can always go diving.
