Directions to Moraine State Park

From Butler and East:

Follow U.S. Route 422 West to "North Shore - Moraine State Park" exit. (The sign is brown and it is at the exit; there is no previous warning). Follow Park Road to the North Shore (Lakeview) swimming area.

From I-79 and West:

Follow U.S. Route 422 East (Butler/New Castle exit) to the Moraine State Park exit. (This is actually the South Shore exit, but the signs for east bound exit just read "Moraine State Park".) Turn left at the stop sign at the end of the exit ramp, and get back on U.S. Route 422 heading West. Refer to above directions. (This is a nuisance, but it's the easiest legal way to get to the North Shore exit from points west of Moraine State Park; there is no North Shore exit from the Eastbound lane of Route 422).

The Triathlon will be scored by The Runner's High using the ChampionChip Timing System. This technology employs a system where the triathlete wears a velcro ankle bracelet containing the "ChampionChip", which is a small plastic disk with a miniature transponder. As the chip crosses over a set of special mats at the finish line, the chip sends its unique identification number to antennas in the maps. The time and number are then recorded in the finish line computers.

On race day, triathletes will be issued a rental ChampionChip when they check in and it will be collected at the finish line. (Please refer to Waiver 2).
